### YOUNG SHIN USA / STOCK MASCHINENBAU TO EXHIBIT AT CORREXPO 2018

**Schaumburg, IL (August 28, 2018)** - Phillip Mack, National Sales Manager of Young Shin USA Limited, a wholly-owned subsidiary of South Korean-based Young Shin Industries, and North American representative of German-based STOCK Maschinenbau, is pleased to announce that the firm will be showcasing its premier diecutting and labeling products at the upcoming CorrExpo 2018. Young Shin / STOCK have secured space at **Booth 307** to present video demonstrations and offer comprehensive printed brochures and catalogs supported by company representatives who will be available to answer any questions on these premier product lines.

CorrExpo 2018 takes place at the Indiana Convention Center, JW Marriott and Hyatt Regency Hotels, in Indianapolis, Indiana from Monday, September 24<sup>th</sup> through Thursday, September 27<sup>th</sup>. The four-day exposition is hosted by two of the corrugated industry's leading associations, TAPPI and AICC. Corrugated Week features industry-recognized speakers, seminars, workshops, exhibits and social networking events. This year's conference program includes coverage on leading topics such as digital printing, automation, material handling, safety, ERP software, HR topics and a special Emerging Leaders/Young Professionals track. Visit [www.correxpo.org](http://www.correxpo.org) for more information on registration and program details.

Representatives from Young Shin's and STOCK's North American sales and service offices will be in attendance throughout CorrExpo 2018.

To learn more about Young Shin USA and STOCK Maschinenbau, kindly contact National Sales Manager, Phillip Mack, at 847-598-3611, via email at [sales@youngshinusa.com](mailto:sales@youngshinusa.com), or visit the firm's comprehensive web site at [www.youngshinusa.com](http://www.youngshinusa.com).

###

### **About Young Shin USA Limited**

Young Shin Industries is an internationally recognized manufacturer of premier flatbed die cutting equipment that was established in Daegu, South Korea in 1980. The firm's superior design, skillful engineering, exacting manufacturing standards and devoted factory service and support has propelled Young Shin into one of the world's most prominent providers of superior die cutting and finishing solutions. Young Shin USA Limited, a wholly-owned subsidiary of Young Shin Industries, provides a sales, service, parts and training headquarters dedicated exclusively to its clients located throughout North America. Establishing its suburban Chicago, Illinois location in 2008, our operations are centrally located to provide immediate and accessible sales, support and service making the acquisition of a Young Shin product a long-term and highly-favorable return on investment. For more information, please visit the firm's web site at [www.youngshinusa.com](http://www.youngshinusa.com).
